

BE A PART OF THE LEGACY

Save your place in Centennial Field history by reserving your commemorative seat plaque today

ACT QUICKLY!

A limited number of commemorative seat plaques will be available. Priority for selection of the preferred seat for your recognition plaque will be determined by the date your payment was received. Visit ptvermont.org for more information.

Partnership with Preservation Trust of Vermont

Join with the Vermont Lake Monsters and the Preservation Trust of Vermont in preserving the historic legacy of Centennial Field by making a tax-deductible contribution to the Preservation Trust. Your contribution will help ensure that Centennial Field continues to serve as the home of amateur and professional baseball in our community. As our way of saying 'Thank you' and recognizing your gift, we'll acknowledge your generosity by affixing a permanent commemorative plaque on a seat at Centennial Field. Your \$100 contribution will be eligible for tax deduction. The Preservation Trust of Vermont was founded in 1980 with the goal of helping communities save and use their historic buildings and sites. Centennial Field first opened on the University of Vermont campus in 1906.
